## Summer Skills **DEVELOPMENT CAMP** **WHAT TO EXPECT:**

Over three action-packed days, athletes will participate in structured training rotations designed to provide focused attention and meaningful feedback from each expert coach. This format allows athletes to experience a variety of coaching styles while maximizing learning, confidence, and skill development.

### **Apparel**

All athletes are required to wear competition-appropriate training attire during camp sessions to help maintain a safe, focused, and professional training environment.

### **Personal Coaches Welcome**

We warmly encourage personal coaches to attend alongside their athletes. Coaches are invited to observe sessions, learn from clinicians, engage in discussion, and collaborate with our expert staff throughout the weekend.

### **SWAG Awards & Camper Gift**

To celebrate an incredible weekend of growth and hard work, all campers will receive a special camp gift at the conclusion of camp. Select athletes will also be recognized with our annual SWAG Awards, honoring standout effort, attitude, improvement, leadership, and sportsmanship. Parents are invited to attend this closing celebration as we recognize the accomplishments of our athletes.

### **Parent Viewing Policy**

Our facility includes a small viewing lobby with approximately 25 seats. To provide a comfortable experience for all families and minimize distractions for athletes, a Parent Viewing Rotation Schedule will be distributed prior to camp indicating when parents may observe training.

During non-viewing times, families are encouraged to explore the many dining, shopping, and entertainment options in the High Point area while athletes remain focused on training.

### **Meals and Snacks**

Athletes should bring a water bottle and snacks. Lunch will only be provided on Saturday, July 18th.

### **Medical and Registration Requirements**

All athletes must complete registration and waiver forms prior to participation.

Any medical conditions, injuries, or allergy concerns should be disclosed during registration so our staff can best support your athlete.

We will have a medical team onsite throughout the event to help with taping, bumps, and bruises.

### **Refund Policy**

Full tuition is due at registration after June 1st.

Cancellations prior to June 1 will receive 100 percent tuition credit minus the deposit.

Cancellations between June 1 and July 1 will receive 50 percent tuition credit minus the deposit with a doctor's note.

No refunds or credits will be issued after July 1 or for no-shows.

All approved refunds will be issued as non-transferable gym credit with no cash value.

Our mission is to enable, encourage, and inspire our athletes through the amazing sport of Trampoline and Tumbling. If you have any questions about this camp, please contact us directly — we are happy to help and look forward to an incredible weekend of training, growth, and fun together.
